# NON-PROFIT FUNDRAISING

This class will teach non-profits, employees and volunteers how to effectively raise funds and grow their non-profit with time tested resources. Workshop includes instruction for finding and writing grants, gaining corporate sponsors, bequests, special event marketing, online techniques, newsletters, social media, donor databases, profit centers, crowdfunding and more new techniques.

The instructor has successfully collected over \$4 million for her consulted charities this year.

***Each attendee will leave with a list of 50  
New Creative Fundraisers!***
